I _____ do hereby give permission to my child to participate in and attend the Fall Youth Rally hosted by Camp Living Waters. I give permission for my child to be transported in vehicles operated by the adults in whose care my child has been entrusted to while attending and participating in this event. It is my understanding that the above-named participant will be covered by my personal medical insurance. The event sponsors provide limited and supplemental medical payment coverage for injuries arising out of the event activities which is payable in excess of any other collectible insurance. Payments of any medical injuries not covered by my insurance, or the even limited/supplemental medical insurance will be paid by me.

Signature _____ Date _____

In today's digital world it is difficult to balance social media, devices, and a faith walk. Spend the weekend at Living Waters learning about how we can use technology build and share our relationship with Jesus, as well as exploring some technology skills. This year's youth rally is **December 6-8, 2019**. It is open to all children from 6th-12th grade. The price for youth rally is **\$25/camper**. Registration for the event includes: lodging, meals, and activities.

During the weekend, workshops will be available. Please include your top 2 choices when completing your registration:

Workshop #1: Basic Building Bloxels Using Modern day technology to create retro video games. Participants will learn a brief history of video games and then develop and animate a character and game level using the free bloxels app and provided building board. Personal technology use is preferred, but a loner can be provided.

Workshop #2: Hour of Code Exploring the basic language of computers through interactive discovery. Participants will learn key concepts of computer coding as they work together to solve puzzles.

Workshop #3: Storytelling with Data Using data gathered by a group to tell a story or solve a problem. Participants will analyze data gathered by other campers and learn to visualize it in a creative way.

Workshop #4: Music in the Digital Age Discover the evolution of music and how people access it. Participants will learn how to develop and share
